Case No. 2003-00360

Dear Mr. Dorman:

Enclosed are seven certified mail receipts for mailings that were sent on October 14, 2003 to customers of Doe Valley Utilities, Inc. who may be affected by any order issued by the Commission in Case 2003-00360. Please note that two mailings were made to Vulcan Materials Company. One to the Brandenburg facility address and one to the agent for process as identified by the Kentucky Secretary of State. Also, I hereby certify that on October 14, 2003, I mailed a copy to Meade County Water District via first class mail. With each of these mailings I enclosed the petition filed on September 19, 2003 by Doe Valley Utilities, Inc., a copy of the Commission's regulation on intervention and a cover letter. Copies of the cover letters are enclosed. While it is believed that most, if not all, of the customers had received copies of the petition soon after it was filed, it was deemed prudent to send the information.

A copy of this letter will be sent (without attachments) to the same customers referred to above and to Meade County Water District.

Sincerely,

Thomas A. Marshall
Counsel for

Mr. Roy Dean Benham

Dear Mr. Benham:

As you are may be aware, Doe Valley Utilities, Inc. ("DVU") has filed with the Kentucky Public Service Commission ("Commission") a petition asking that the Commission determine or take action so Doe Valley Utilities, Inc. is no longer considered to be a public utility.

It is very likely that you or your representative received a copy of this petition some weeks ago by hand-delivery, but in an abundance of caution a copy is being forwarded with this letter via mail to each customer who may be affected. A copy of this letter will also be provided to the Commission as evidence of mailing.

The petition was filed on September 19, 2003, and the Commission identified this matter as Case No. 2003-00360. A copy of the Executive Director's letter about the assignment of the case number is attached. Since action by the Commission on this petition could affect your status as a DVU customer, you should be aware that you have the right to intervene in this matter if you chose to do so. For your information, a copy of the regulation on intervention (807 KAR 5:001 Section 3, subsection 8) is enclosed. If you need more information, you can call the Commission at 502-564-3940.

Sincerely,

Thomas A. Marshall
